

Uttarakhand Bamboo & Fiber  
Development Board

## UTTARAKHAND BAMBOO AND FIBER DEVELOPMENT BOARD (UBFDB)

WMD, Indira Nagar, Forest Colony, Dehradun, Uttarakhand - 248006

Phone: 0135-2760897, Fax: 0135-2761155

E-mail: uabamboo@gmail.com

### **Expression of Interest (EoI) for empanelment of individuals/firms/institutions to provide different services to Uttarakhand Bamboo and Fiber Development Board**

**About UBFDB:** Uttarakhand Bamboo & Fiber Development Board is a State nodal agency for undertaking bamboo & natural fiber based development in the State of Uttarakhand. The Board undertakes different research and development projects through the support of Central, State Government & other organizations aimed at promoting bamboo and natural fiber sector in Uttarakhand, with the following objectives:

1. To promote the growth and sustainable management of bamboo and useful fibers both in natural forests and cultivation under Community based plantation and production models (such as Van Panchayats /Joint forest management/ ongoing watershed projects; social and agro forestry programmes) with concomitant benefits to forest conservation and industrial development.
- To develop new generation, environment friendly bamboo and fiber based products, processes, practices and technology by giving impetus to innovative design capabilities, testing methodologies, fabrication and standardization techniques with a view towards increased trade in domestic and export markets.
- To popularize bamboo as a cost-effective and earth-quake resistant building material to meet the housing and other infrastructural needs of the State especially since it lies in a high-seismic zone.
- To enhance inter-institutional industry interaction in the domestic and international arenas for technology sourcing, absorption and dissemination; while also improving industry-lab-user linkages for collaborative technology development and transfer.
- To develop market mechanisms and facilitate credit and other financial assistance for risk minimization while developing community-based tiny, cottage, small & medium enterprises based on bamboo and natural fibers, and hence provide employment opportunities in remote rural areas.
- To mobilize donor agencies, industrial houses and community-based organizations on the vast potential of bamboo and select natural fibers and simultaneously empower and train grass-roots artisan and farmer groups on various bamboo and fiber production and processing techniques.

The board invites Expression of Interest (EoI) for empanelment of individual experts/firms/service providers in the field of bamboo constructions/housing, business promotion, bamboo product supply, bamboo product retail, design development, web designing and

maintenance,documentation and monitoring, textile technology/engineering, mechanical engineering, legal advisory, chartered accountancy and field mobilization.

Interested candidates are requested to submit a comprehensive technical proposal in the format attached along withdetailed Resume` to the Chief Conservator of Forests/Chief Executive Officer, Uttarakhand Bamboo and Fiber Development Board at the above mentioned address so as to reach by 14th August 2019. However the advertisement shall be open till adequate numbers of experts have been empanelled.

Only suitable candidates may be called for personal interview and technical presentation on technical proposal who are expected to attend the interview at their own costs as they shall not be entitled to any TA/DA.

### **1. Architect/Engineer/Consultant- Bamboo Construction/Housing**

#### **Scope of Work:**

- Undertaking technical and feasibility studies including site investigations
- Using a range of computer software for developing detailed designs
- Undertaking complex calculations
- Develop designs and layout diagrams for bamboo Infrastructural applications
- Resolving design and development problems
- Scheduling material and equipment purchases and deliveries
- Making sure the project complies with all legal requirements, especially health and safety
- Ensuring projects run smoothly and structures are completed within budget and on time
- Provide directions for infrastructure application of bamboo being promoted
- Overall responsible to promote the structural application/Infrastructural applications of bamboo in the state.
- Liaison with established R&D facilities in the country and aboard to bring in new development in the field of bamboo applications in infrastructure.

#### **Eligibility Criteria:**

- The incumbent should have a Bachelor degree/diploma at architecture/civil engineering from a recognized institute/University.
- Minimum 05 years experience in building design, plan, estimation, construction and versatility with the bamboo housing would be an added advantage.
- In case of firms/institutions, they should have adequate number of empanelled experts having the aforesaid eligibility.

## **2. Designers/Consultant- Natural Fiber/Bamboo/Ringal:**

### **Scope of work:**

#### **Natural Fibers:**

- Developing carded and un-carded nettle, hemp and other natural fibers, yarn development and blending activities with other natural fibers suitable for hand loom, power loom and knitting based product lines.
- Undertake design development activities in Himalayan nettle, Industrial hemp, bhimal etc. and blending with other natural fibers suitable for tourism and urban market.
- Imparting training to artisan groups in yarn making, blending with different materials, natural dyeing and products development process.
- Assisting the project team and guiding master weavers for market focused design development during assignment period.

#### **Bamboo and Ringal:**

- Providing required design inputs and ensure standardization of the developed products range.
- Addressing the skill, product related requirement of the region/artisans.
- Strengthen & Streamline existing, traditional Ringal/Bamboo handicrafts systems by introducing contemporary design and technologies to improve the economic conditions of the ringal/Bamboo artisans of Uttarakhand.
- Assisting the project team and master trainers for market focused design development during assignment period.

#### **Eligibility Criteria:**

- The incumbent should have a degree / diploma from a reputed design institute recognized by Government of India.
- A post graduate degree/diploma from reputed design institutes such as NID, IDC (IIT Mumbai), NIFT, IICD or any other equivalent design school/institute in the discipline of textile design/technology, hard material (Wood, Bamboo, Metal) crafts, Interior and accessories design shall be given preference.
- Should have a minimum of 3 years work experience of which at least 1 year experience should be in the field of natural fibers, bamboo and hill bamboo (Ringal) related handicrafts and handlooms.
- Versatility with the socio-economic and geographical constraints of the crafts communities in the Uttarakhand will be an added advantage.
- Empanelled with DC (H), KVIC and other institutions will be given preference.

1. Assist in the revision of the project log frame matrix, particularly in the areas of performance indicators and their measurement;
2. Assist in the development and/or finalization of the project Work Plan and keep it updated in accordance with project activities and timeframes as relevant.
3. Develop the overall framework, for project M&E, for example mid-term project review, impact assessment, final evaluation, develop project Performance Monitoring Plan with relevant data collection systems.
4. Review the quality of existing data in the project subject areas, the methods of collecting it, and the degree to which it will provide good baseline statistics for impact evaluation.
5. Develop baseline data for each project component and for all project indicators.
6. With collaborating partners, review their existing approaches and management information systems and agree on any required changes, support and resources.
7. Develop a plan for project-related capacity-building on M&E and for any computer-based support that may be required.

8. Organize and undertake training with collaborating partners on M&E as required.
9. Documentation of activities carried out under the different projects.
10. Compiling monthly, quarterly, half yearly and yearly progress report under different projects being implemented by the board.
11. Publications of Manuals related to Bamboo, Ringal and Natural Fibers based activities.
12. Compiling training reports, minutes of meeting, success stories, case studies etc.
13. Writing project proposals and concept papers.
14. Developing and maintaining MIS including official website
15. Developing and disseminating IEC material related to projects activities.

**Eligibility Criteria:**

- Post graduate in any discipline from a recognized institute/University.
- Minimum 10 years experience in monitoring & evaluation and documentation in development programmes. Good command over writing Hindi and English. Versatility with the socio-economic and geographical constraints of the crafts communities in the Uttarakhand will be an added advantage.
- In case of firms/institutions, they should have adequate number of empanelled experts having the aforesaid eligibility.

**7. Consultant Textile Technology/Engineer**

**Scope of Work:**

1. Developing value chain of Himalayan nettle/Industrial Hemp/Bhimal/Agave (Ram Bans) and other plant origin commercially viable fibers available in the state.
2. Developing plant fibers processing techniques such as decortications, retting, degumming, softening etc.
3. Liaising with and providing technical advice to design, marketing, purchasing and production staff
4. Amending designs where necessary
5. Producing samples
6. Dyeing and printing textiles
7. Evaluating, identifying and selecting fabrics/products from suppliers
8. Ensuring that products meet set requirements and specifications (eg colour fastness, durability etc)
9. Checking products for suitability and testing for performance under various conditions
10. Controlling production and quality standards
11. Keeping up to date with trends and innovations and research work.
12. Developing catalogue/Fliers/posters and other publication material with special reference to the plant fibers of Uttarakhand.

13. Supporting to the project managers in developing proposals, planning and implementation.

**Eligibility Criteria:**

- Graduate in textile technology/textile science from recognized University/Institute. Preference will be given postgraduate candidate having good knowledge in natural fibers.
- Minimum 05 years experience in textile and clothing industry having good knowledge in machines, tools, equipments and strong practical skill of textile industry.
- In case of firms/institutions, they should have adequate number of empanelled experts having the aforesaid eligibility.

**8. Consultant Web design:**

**Scope of work:**

- Conceptualize original website design ideas that bring simplicity and user friendliness to complex roadblocks
- Create wireframes, storyboards, user flows, process flows and site maps to communicate interaction and design ideas
- Present and defend designs and key deliverables to peers and executive level stakeholders
- Establish and promote design guidelines, best practices and standards
- Web hosting and maintenance.
- Building an E-Commerce business model planning.
- Ensure customer loyalty and brand integrity are maintained through our performance optimisation service.

**Eligibility Criteria:**

- Graduation/Post Graduation in computer science ( B-Tech, M-Tech, BCA, MCA) from recognized university/institute with 5 years experience in web designing field.
- Proficiency in graphic design software including Adobe Photoshop, Adobe Illustrator, and other visual design tools.
- Proficiency in front-end development web programming languages such as HTML and CSS, JQuery, Logo Design, Wordpress and JavaScript.
- Good understanding of content management systems, search engine optimization and E-commerce.
- Up-to-date experience with international web protocols, standards, and technologies.
- In case of firms/institutions, they should have adequate number of empanelled experts having the aforesaid eligibility.

## **9. Consultant Mechanical Services:**

### **Scope of work:**

1. Analyzing problems to determine mechanical solutions of bamboo and fiber processing machines.
2. Provide maintenance service to the board on annual contract/assignment basis.
3. Perform simulation, testing and analysis on devices and systems

### **Eligibility Criteria:**

- The incumbent should have a Bachelor degree/diploma at mechanical engineering from a recognized institute/University.
- Minimum 05 years experience in industrial mechanical services especially textile, wood, bamboo industries.
- In case of firms/institutions, they should have adequate number of empanelled experts having the aforesaid eligibility.

## **10. Consultant Field Mobilization:**

### **Scope of Work:**

1. Resource mapping/baseline survey/cluster appraisal of bamboo/ringal/natural fibers according to projects requirement.
2. Providing assistance in selection of the artisans/farmers/beneficiaries for training, bamboo and natural fiber nurseries/plantation.
3. Conducting project monitoring/assessment and impact studies under the projects.
4. Conducting/coordinating the training programmes and production workshops
5. Managing community facility centers/resource centers ensuring community participation.

### **Eligibility Criteria:**

- Post Graduate Degree/ Post Graduate Diploma in Social Work/ Social Science/ Design Development/Forestry/Botany/ Environment Science/Wood Science/ or equivalent.
- At least 05 years of progressive experience in planning and implementing programmes focused on social development and community mobilization.
- Experience of working with the government/development partners on the social development and community mobilization issue, especially at the grassroots level will be preferred.

- Empanelled individuals shall not claim any right for permanent employment.
- The technical proposals will be evaluated using the following criteria:

<b>Criteria</b>	<b>Marks</b>
Qualification	20
Experience	20
Experience/ assignment of institution in related/ specific field	30
Cost and Size of assignment handled	10
Work experience in mountain area	20

(Note: The minimum qualifying points are 60% for evaluation of technical proposal)

**DISPUTES & ARBITRATION:**

In case of any dispute, whatsoever, the Successful bidder shall not approach any Civil Courts for seeking remedy and justice. Such dispute, arising out of this contract, shall be resolved or adjudged only by way of arbitration as per the Arbitration and Conciliation Act, 1996, for which Chairman UBFDB shall be the sole arbitrator.

**Format for Submission of EoI**  
**Technical Proposal**

**General details:**

Sl. No.	Details	
	Interested Area of work for which consultant wishes to apply	
1	Full Name of Applicant /Firm/Institution/Voluntary Org.	
2	Correspondence address	
3	Telephone No./Mobile no	
4	E-mail	
5	Aadhar no.	
6	PAN	
7	GST	
8	Academic qualification	
9	Professional qualification and School/institution's details where from pass out.	
10	Membership and empanelment of professional institutions	
11	Over all experience in years	
12	Related/specific work experience in years	

**Provide details of overall experience:**

S.NO	Details of assignment undertaken	Name of client/ organization for which assignment	Year of Assignment total period.	Cost of Project/ Assignment	Key output / deliverables

		undertaken			

**Please also attach the following:**

- a) Brief note on your suitability for the work for which you wish to apply (How do you justify your application for the relevant work)
- b) Detailed CV
- c) Relevant certificates / documents
- d) In case of firm/institution/voluntary organization they should provide the list of experts and their capacity to handle the relevant activities.

**Any other information:**

I hereby declare that all statements made in this application are true, complete and correct to the best of my knowledge and belief and understand that in the event of any information being found false or incorrect at any stage or not satisfying the eligibility criteria according to the requirement of the relevant advertisement my candidature may be cancelled, Even my assignment.

I understand to abide by the all the terms & conditions mentioned in the EoI given by the UBFDB.
